Company Profile

2013

All the information in this profile is correct as on 28th April 2013. Please ask for updated profile if you feel the information may be outdated.

SUMMARY AND HISTORY

DataCare LLC is a Dubai based IT wholesaler with customer base in Middle East and Africa. DataCare was founded in the year 2003 by an experienced industry professional, who identified the latent potential of the Storage Media market and the need to address it in the right manner.

Today we are famous not only for Data Storage media, but as a leading IT wholesaler, dealing with Data Media, Network Attached storage, Printer supplies, Consumer IT products and hardware.

OUR VISION, MISSION AND CORE VALUES

We trust we are a customer centric company and work towards maximizing customer satisfaction. We differentiate ourselves on the basis of service offered to the customer.

Our sales force is extremely friendly, amiable, customer centric and efficient.

We vision it to become a single source for all the IT requirements of our clients and provide them the best in class customer service.

PARTNERS

We are business partner to many globally renowned brands. We are a Gold Specialist Partner with HP . We also have good working relationship with other brands. See a list of our partner brands at the end of the page.

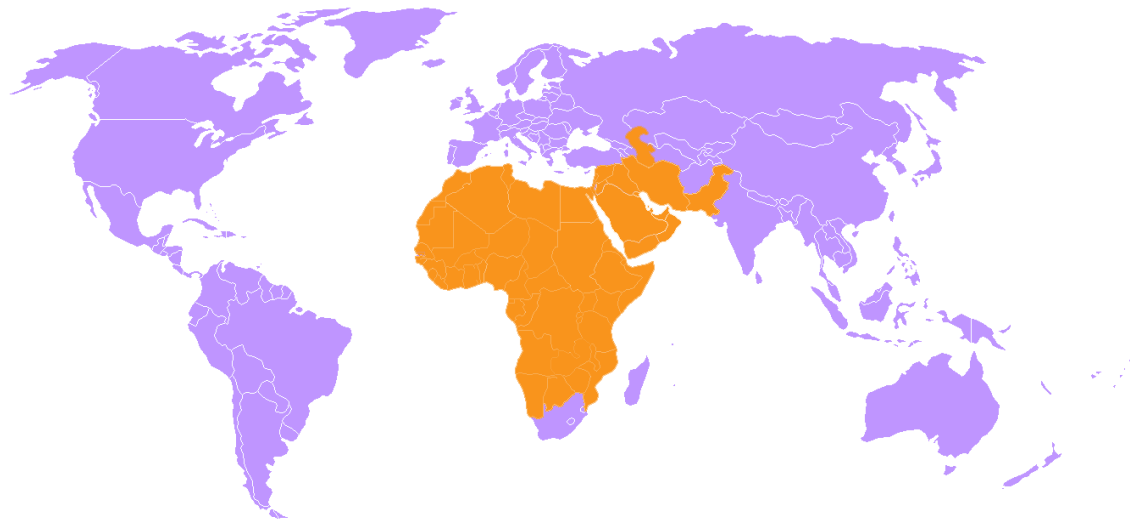

- HP Gold Specialist Partner 2013
- Imation Preferred Partner
- Lexmark Authorised Premium Partner
- Western Digital IDP
- Tri-Optics to Go exclusive partner.

AWARDS AND RECOGNITIONS

Our hard work, dedication and professional approach have earned us many awards and recognitions in the areas of sales achievement, customer service and consistency from Vendors like Imation, HP and dymo to name a few.

GEOGRAPHICAL TERRITORIES

Our strategic location in Dubai gives us an operation advantage to operate in Middle East, Africa and some CIS countries.

We have many logistics partners for different regions, for quick and affordable deliveries around the world. We work out the most economical way of shipping the goods, so that our customers can serve their markets with the right prices.

We have 2 warehouses – one located in the city and a large one in Al Quoz industrial area, to efficiently move the products where required.
